

Skippack Recreation Association

PAVILION RESERVATION CONTRACT FOR SCHOOL PARTIES

The schools that reserve the pavilions are responsible for cleaning up the area at the end of their party. Guards will empty the trash cans periodically during the party as needed. If trash cans get full without a guard noticing, please mention this to management and we will have it taken care of. Schools that reserve the pavilions are responsible for sweeping up under the tables, scraping off food from the grills, and the washing of any spills off the table tops. Buckets, cleaner, and brooms are available from the guards or management.

Below is the date and time reserved for your school:

SCHOOL: _____
