

SKIPPACK PAVILION RESERVATION

Please note: Pavilion policies have changed.

Attention Members:

In order to reserve a pavilion, a \$25.00 deposit and the bottom half of this sheet completed is necessary. Pavilion availability is on a First Come - First Serve basis. A deposit is required to reserve each date. We must keep this fair for all members. The deposit is non-refundable and is not to be used to offset the guest fees. If given a 24-hour notice of any change in date and/or weather closures, you will be refunded. The deposit will help us offset the cost of new grills, propane tanks, starters, brushes, and standard grill upkeep throughout the season. The members that reserve the pavilions are responsible for cleaning up the area at the end of each party. Guards will empty the trash cans periodically during the party as needed. If trash cans get full without a guard noticing, please notify management. Members that reserve the pavilions are responsible for sweeping up under the tables, scraping off food from the grills, and the washing off any spills. Buckets, cleaner, and brooms are available from the guards or management. Thank you for your understanding.
